A Complete Application Packet Will Consist of the Following:

1. The completed application form (including this page with approval signatures).
2. A letter from the applicant explaining why (s)he seeks to enter the departmental Honors Program and specifically how the program is to be accomplished.
3. An individual letter of recommendation from the faculty supervisor.
4. An advising copy of the student’s transcript (a BannerWeb printout is acceptable).

NOTE: Should the applicant be seeking a waiver of grade point average or of course unit requirements, both letters listed above should explain why the waiver may be justified.

Submission Procedure
One copy of the completed application packet, described above, should be submitted by the student to the Computer Science Honors Coordinator.

Students are responsible for reading and understanding all regulations of the Honors Program.
